social housing has been a forefront research topic especially from its economic and socio cultural factors the nature of social housing in the Arabian Gulf countries has been distinctive in its approach with usually generous areas and urban sprawl designs recently most of these Arabian Gulf countries have gone through profound transformation in their social and housing paradigms influenced by their sustainability adopted agendas still scholarly documentation and analysis of the processes and products of these transformed paradigms are largely missing or at least fragmented so there is a desperate need to boost research work in this field as related to each city country in this region with largely expected mutual effects that these experiences might have on each other and on the global debate about sustainable and resilient social housing as a whole

inspiring communication can make the difference between poor performance and exceptional results this is why CEOs and HR

professionals now believe that the ability to understand motivate and inspire others is the characteristic that is most important when recruiting senior leaders many leaders wrongly perceive they have to become inspired orators if they are to inspire others wrong language is a system of communication so the issue is what system should leaders use to inspire brilliant results this is the question kevin murray answers in the language of leaders based on original interviews with an extraordinary list of more than 70 top leaders from a wide range of business and public sector organizations this book provides a unique insight into how these leaders have responded to the demands of a transparent world it reports on what they have learned and creates a lexicon for successful communication the message from these leaders is resoundingly clear communication is now one of the most crucial skills of leadership filled with actionable lessons and insights from leaders of high profile organizations the language of leaders is an invaluable book for anybody in a leadership position or who aspires to lead
