for more than forty years this classic study has challenged and instructed more than 15 million readers in reaching the world

for christ with a foreword by billy graham and now repackaged for a new generation of readers the master plan of evangelism will show every christian how to minister to the people god brings into their lives instead of drawing on the latest popular fad or the newest selling technique robert e coleman looks to the bible to find the answer to the question what was christ s strategy for evangelism through a thorough examination of the gospel accounts coleman points out unchanging simple yet profound biblical principles of how to emulate christ to others

please note this is a companion version not the original book sample book insights 1 the initial objective of jesus plan was to enlist men who could bear witness to his life and carry on his work after he returned to the father he chose john andrew philip nathanael james and matthew to be his first disciples 2 the twelve apostles were simple men who were chosen by the lord to be his assistants they were not key figures in the synagogue nor did they belong to the levitical priesthood they were common laboring men and yet jesus saw in them the potential of leadership for the kingdom 3 the apostles were the first group of people to be chosen to join jesus s team and as the number of followers grew it became necessary to narrow the group down to a more manageable number 4 the more concentrated the group being taught the more effective the instruction jesus devoted most of his remaining life on earth to teaching these few disciples he literally staked his whole ministry on them

dr robert e coleman examines the pattern of disciple making set forth in the book of acts after discussing the principles of church growth in depth he shows how to apply them to the contemporary church copyright libri gmbh all rights reserved

the master plan of evangelism discover the timeless blueprint jesus used to transform individuals and the world how did jesus do what he did in this bestselling guide robert e coleman unveils the strategic simplicity behind christ s ministry and shows how centuries later it remains the most effective model for nurturing lasting spiritual growth featuring in depth analyses of key relationships and real world examples coleman outlines the step by step approach jesus used to select faithful followers win them through personal relationship build them by teaching and example empower them through delegated responsibility send them out with purpose and passion this classic handbook is far more than theory it s a proven practical plan that equips every believer to move beyond superficial involvement to intentional discipleship develop genuine life changing relationships rooted in love engage in purposeful ministry driven living ignite impact not just by preaching but by training others to do the same accessible inspiring and anchored in scripture the master plan of evangelism is the ideal guide for anyone longing to deepen their walk with christ church leaders and ministries seeking reproducible effectiveness those ready to pass on the power of the

gospel in real tangible ways whether a seasoned minister or first time disciple discover how a simple relationship based strategy can mobilize ordinary people to accomplish extraordinary things for christ

for more than forty years robert e coleman s bestselling the master plan of evangelism has been the standard in evangelism literature but what is the theology behind evangelism and why is it important for christians to understand the heart of the gospel offers a systematic theology of evangelism that will ground and inform our practice of spreading the good news each chapter covers a major biblical doctrine explains its various evangelical interpretations treats misconceptions that adversely affect evangelism and offers practical applications of the doctrine based on decades of classroom teaching this comprehensive work is aimed at ministry readers interested in evangelism and outreach

i wrote this book so that god s plan for evangelism and discipleship may be clearly seen and followed i believe that when christians execute this plan god will work in them and through them to achieve his purposes this book is for the person who wants to systematically study what jesus taught on evangelism and discipleship from the four gospels matthew mark luke and john it includes both my commentary and the entire text of the scriptures that my commentary is based upon i use the term ambassador frequently in this book because i believe that christians should see themselves as god s representatives of his kingdom here on earth jesus taught his apostles the foundational truths that were used to establish the early church and should be used by ambassadors to help today s church grow

from the author of the bestselling book the master plan of evangelism comes this study manual on the personal evangelism style of the son of god an interactive guide this work includes insights 12 examples drawn from the life of jesus suggestions for small group meetings an action plan personal questions and observations from each chapter

len andyshak presents a simple step by step program to help christians develop skills for personal evangelism 32 pages paper

perfect book for evangelism minded churches and small groups details nine church centered principles for reaching others for christ through networks of family and friends

we are all called to be ambassadors for christ bringing his good news of salvation to this dark and hurting world regardless of whether or not you are a skilled speaker or easily make friends you can be used of god to open people s hearts and minds to the

gospel in this book rev holmes shares from his years of experience helpful wisdom and interesting stories on how to evangelize and how not to evangelize learn how to be used of god in soul winning and gain great joy and eternal reward for yourself and for many others

this is a print on demand book and is therefore non returnable over three billion people in the world have never heard the name of jesus christ the task of evangelizing these people seems monumental in this major study of world evangelization however edward dayton and donald fraser view the world not as billions of individuals but as thousands of people groups the dayton fraser strategy includes ten basic steps that analyze and define the goals in reaching these people groups and the obstacles standing in the way unlike other mission strategies this approach incorporates the social sciences and basic management principles into the context of god s sovereignty and of the church s responsibility to evangelize the world the book includes a comprehensive bibliography reflecting the authors extensive research in theology sociology anthropology and management

this is an expanded 624 page reference tool for the 8 stage transition process found in how do we get there from here formerly titled making cell groups work this sizable compilation is filled with hundreds of articles by pastors and experts including helpful articles such as how to transition your church s calendar and budget to allow for a growing holistic small group cell group ministry how to choose team members to implement the transition tips on how to prototype groups and much much more one of the most valuable tools found in this resource is a revealing readiness assessment tool which will help you determine weaknesses if any in four key areas of church health all of which are required for a successful transition
